Updating your Research Mentor Profile:

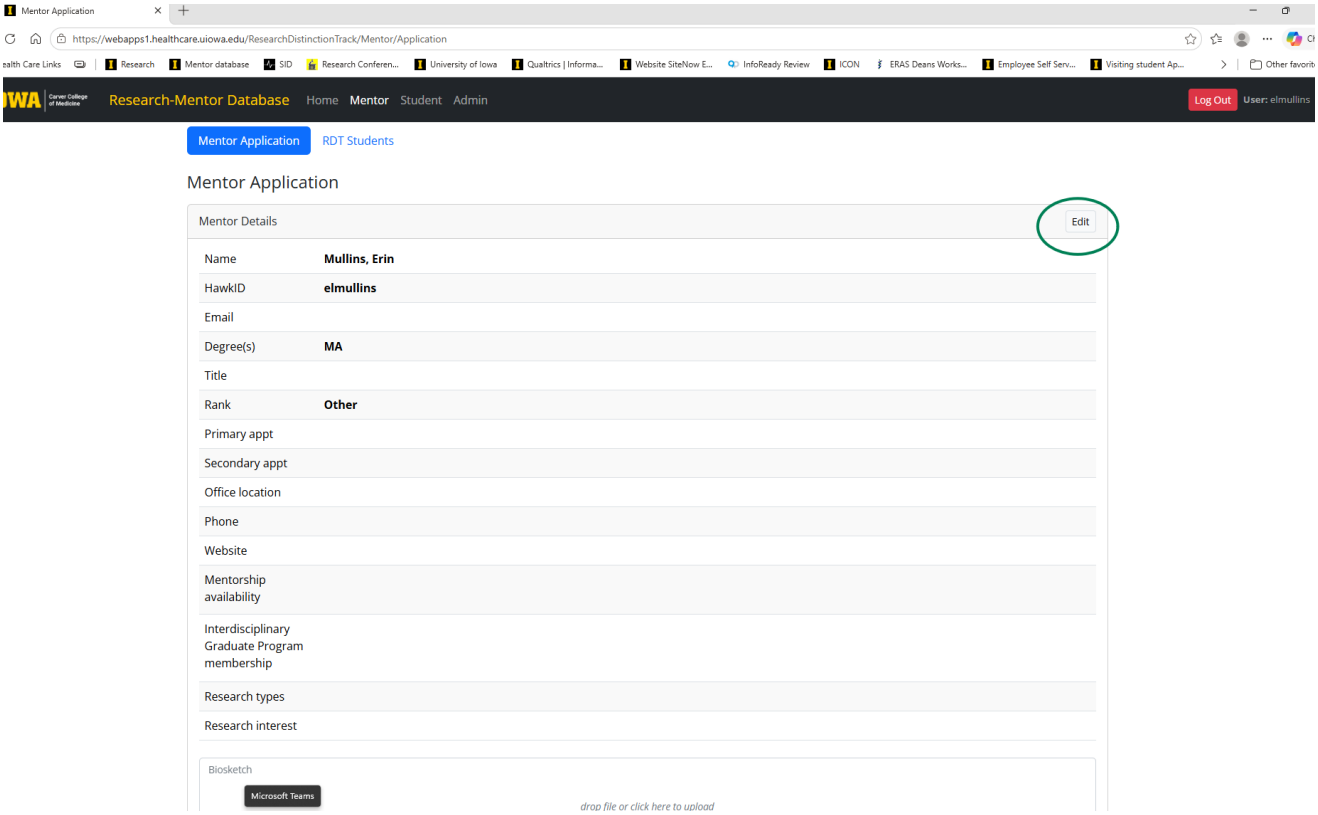

(1) Login with HawkID and Password

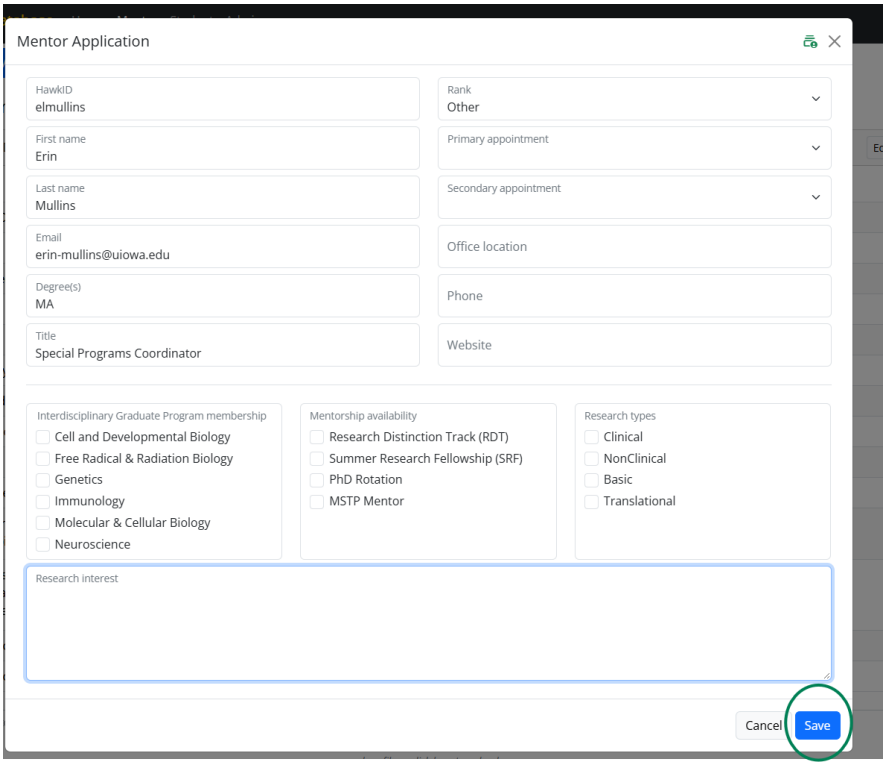

(2) Select “Mentor”

(3) Select “Edit”

(4) Make edits and fill out as completely as possible to indicate your research area, types of research projects, programs you wish to mentor (e.g. SRF, RDT, MSTP…), and any specific project descriptions, upload biosketch and select “Save”

(5) If you have RDT mentees, they will appear under the RDT Students Tab, where you will be able to upload letters and complete evaluations.
